We, the seniors class of 1952 proudly dedicate this volume of the Josephinum to our teacher, Father Peter Quinn.

We are proud and happy to have had him as our teacher. And we thank you, Father, for having inspired us to aim high and straight. We promise to make every effort not to fall short of that aim.

Administration

To our pastor Father Julian Endler, C. P. we extend our sincere gratitude and devotion for all the happy years that we have spent at St. Joseph's. We will never forget his fatherly interest and his spiritual guidance during our years at St. Joseph's. May God give him the strength, ability and courage to carry on at St. Joseph's as he has done in the past.

Father Michael Anthony Campbell, C. P., our former religion teacher; full of energy, kind and sympathetic. He never seems to stop but he always has time to do something for you.

Father Howard Chirdon C.P., our new religion teacher; young, zealous, anxious to please. His deep interest in religion keeps us constantly studying. If we could satisfy him we would know our religion well.

ST. JOSEPH'S MISSION  
P. O. BOX 472  
NEW BERN, NORTH CAROLINA

My dear graduates,

At last you've made it! You have gone through a state-accredited high school and this day you receive the well-earned diploma.

What did you learn in all these years at Saint Joseph's? "Reading, writing and arithmetic?" True, but what more? Ah yes, you have learned courtesy, honesty, sincerity. You have learned about your soul--and God! In other words, your education has been a complete one. Never forget it!

As you leave the portals of Saint Joseph's School, determine to keep reaching higher and higher for the finer things of life, for the honor and glory of God and country. Ever be noble, clean, God-fearing. Put First Things-First! Build not just for time, but for Eternity. And remember Father Julian's eyes will ever follow you. Let him always be proud of you.

Let's always be glad we've met!

Paternaly yours,

*Father Julian, C.P.*

RUTH ELIZABETH BAZEMORE

JACQUELINE MARIE BROWN

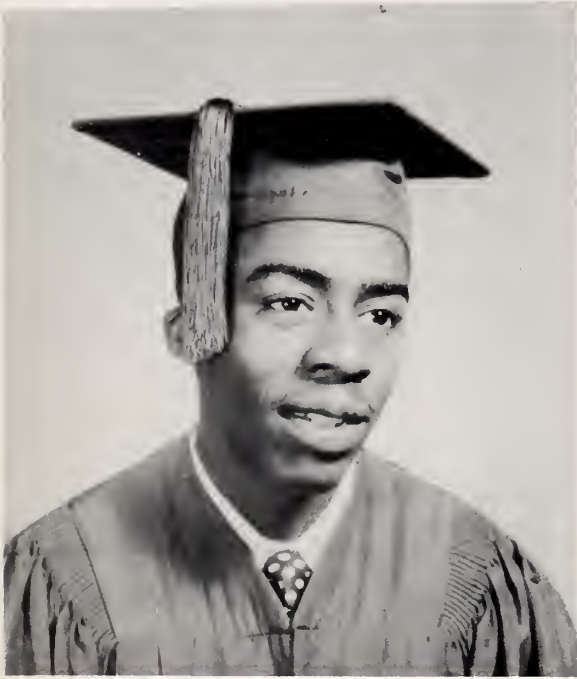

Ruth is the possessor of pep and energy. For four years she has brightened each gathering of our class. She is kind at heart and a true friend. With her consideration for others and friendliness she is bound to be a success as a commercial teacher.

Jack is frolicsome, lively, and gay. She has a winsome way of making friends. Her pleasing personality has made her an outstanding classmate. We know that with her artistic talent and sewing ability she will succeed as a designer.

JAMES IRVIN GREEN

"Shuh" is the only boy in our class this year, but that doesn't mean the girls run the class. Far from it. "Shuh" has a very persuasive way about him which the girls have come to admire. He will make a success of anything he attempts in later life.

ANNIE MARIE HARDY

"Rie" is tall, slim and smooth. She is quiet, friendly and industrious. Her sweet sincere way will make her a favorite nurse with her patients.

QUEENIE MAE PATRICK

MILDRED LAURANA SMITH

When generosity, reliability and perseverance are required for a task. "Mae" is the kind of person who will measure up. She likes reading and domestic arts. Her work for the Josephinum was outstanding.

"Mibby" is petite but ever so capable. Her friendly personality and fine singing voice make her pleasant company. Her ambition is to be a Social Service Worker. We are sure she will succeed in this field.

FANNIE LAURANA WATSON

Because Fannie gives whole heartedly of her time and talents to school activities she is beloved by all her classmates. She hopes to make her mark in the business world.

*Juniors*

LOUIS JONES

ETHEL WHITE

The Juniors of '52 are looking forward to being seniors next year. We, as a class are most co-operative; our characteristics are distinctive. We stand united at all times. We take part in all activities. Next year we expect to be a forward and leading class. Our number is small, but our abilities and our determination will bring us to great achievements.

Sophomores

Many of you looking at this picture will never have the pleasure of meeting the members of the Sophomore Class, so perhaps you would like to meet them and learn something about them through the medium of the yearbook.

Cassie Mae Gibbs travels five miles from Bayboro each day in order to attend a Catholic School. Bernard Green is the most ambitious boy we know. Lois Jarmond has a wonderful class spirit. When ever we need a helping hand Lois is there. Earl Stallings has a real sense of humor and he is generally amused by one of the most fun-loving and gay boys in the class, Odell Wilson. Earl Patrick is really talented in many things. At present his work in the Industrial Arts class has given him profit scholastically. Last but not least is George Midgett. We left him until last because he is usually late for important events. Hence his famous saying: "What's going on around here?"

*Freshmen*

We present our Freshman Class. The four girls: Lilly Simmons, Edna Thomas, Dorothy Johnson, and Vivian Priestly call themselves "The Four Pals" and hope to fill the vacancy left by the graduating "Pals".

William Whitehurst was first place winner in the oratorical contest sponsored by the N.C.C.L.A. Samuel Oden is a real student, rather shy but always ready to enjoy life. Daniel Jarmond is the glamour boy of our class. He is well liked by all. When it comes to pleasant dispositions Roland Gibbs rates highest. Archie Bell, another orator from our class was third place winner in the oratorical contest sponsored by the North Carolina State College of Agriculture and Engineering. Whenever there is mischief abroad you may be sure that William Brown is near.

This is our Freshman Class. A group of industrious students who believe that all work and no play never helped anyone.
